

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

APPLICATION OF KENERGY CORP. FOR A ) CASE NO.  
GENERAL ADJUSTMENT IN RATES ) 2015-00312

ORDER

On October 29, 2015, Kenergy Corp. (“Kenergy”) filed an application requesting an adjustment of electric rates. On November 25, 2015, the Commission issued an Order which determined that the earliest possible effective date for Kenergy’s proposed rates was December 20, 2015. The November 25, 2015 Order also determined that an investigation would be necessary to determine the reasonable of the proposed rates and, pursuant to KRS 278.190(2), Kenergy’s proposed rates were suspended for five months from December 20, 2015, up to and including May 19, 2016.

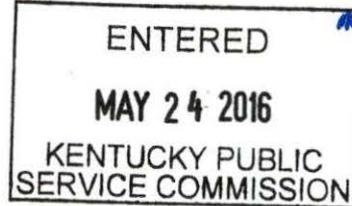

On May 18, 2016, Kenergy gave notice that it intended to place its proposed rates into effect on May 20, 2016. Kenergy’s notice was made pursuant to KRS 278.190(2). The Commission finds that it is unable to complete its investigation within the suspension period and that Kenergy has complied with the statutory provisions to place the proposed rates into effect.

IT IS THEREFORE ORDERED that:

1. Kenergy’s proposed rates shall be collected subject to refund.
2. Kenergy shall maintain its records in such manner as will allow it, the Commission, or any customer to determine the amounts to be refunded, and to whom, in the event a refund is ordered upon final resolution of this matter.

3. Within ten days of the date of this Order, Kenergy shall file its tariffs setting forth the rates it is placing into effect for service rendered on and after May 20, 2016, and designating those rates as being subject to change and refund.

By the Commission
